# Future Illinois MOOCs

- MOOC Review Committee
  - Develop criteria to evaluate courses for delivery through a MOOC platform
  - Assess capacity of campus to support online education
  - Review existing policies to determine suitability for MOOC offerings

# Future Illinois MOOCs

- RFP - Soliciting proposals for MOOCs
  - *Up to 10 MOOCs*
  - *Fully funded (course development, release time, etc.)*

# Three Step Process

1. Pre-proposal (deadline March 4)
2. MOOC compatibility
  - *Suitability of content and assessment strategies for presentation in video-intensive format*
  - *Effective use of MOOC technologies*
3. Full proposal
  - *Detailed course curriculum, budget, etc.*

# Illinois MOOC Policies

- Intellectual Property

*Faculty own content and license to University where over-and-above support was provided*

- Accessibility

- Fair Use Doctrine

*Applies in MOOC environment but more restrictive*

# Resources

- MOOC website ([mooc.illinois.edu](http://mooc.illinois.edu))
  - RFP
  - Guide to MOOCs (how to develop, MOOC templates, etc.)
  - Articles
  - FAQ
    - *Campus resources*
    - *Accessibility*
