

UNIVERSITY OF ILLINOIS URBANA-CHAMPAIGN SENATE
COMMITTEE ON ELECTIONS AND CREDENTIALS
(Final; Action)

EC.24.04 Revision to the *Senate Election Rules for the Student Electorate*
Section 5. Conducting Elections and Section 8. Resignations and Vacancies

BACKGROUND

The Senate Committee on Elections and Credentials (EC) proposes updating the *Election Rules for the Student Electorate* to correctly specify that the Campus Student Election Commission (CSEC) is organized under the authority of the Office of the Vice Chancellor for Student Affairs as stated in the *Charter of the Campus Student Election Commission*. The current language specifies CSEC is organized under the authority of the Illinois Student Government (ISG) which no longer exists.

EC proposes referring to the officially recognized student governance body more generally in the *Election Rules for the Student Electorate* rather than to the specific name due to the regular renaming of the body. After the most recent reorganization and renaming, the student governance body is named the Illinois Student Council (ISC). Some of the previous names include Illinois Student Government (ISG), Illinois Student Senate (ISS), and Student Government Association (SGA).

EC also proposes referring to the student governance committee tasked with filling vacancies more generally in the *Election Rules for the Student Electorate*. The committee that is currently authorized to fill vacant student seats no longer exists due to the most recent reorganization and renaming. EC proposes tasking the student governance committee responsible for internal operations with developing a vacancy filling process and using that process to fill vacant student seats in the Senate.
