EP.18.07

September 18, 2017

**UNIVERSITY OF ILLINOIS**  
**URBANA-CHAMPAIGN SENATE**  
Senate Committee on Educational Policy  
(Final; Information)

EP.18.07 Report of Administrative Approvals at the September 11, 2017 meeting of the EPC.

**Graduate Programs**

**MS in Cell and Developmental Biology** – Revise the minimum GPA for the master’s program from 2.75 to 3.0. The department’s master’s degree is not a terminal degree; rather, it is an option to students in good academic standing in the PhD program. Hence, to ensure consistency in program requirements, the minimum GPA for the master’s should be the same as for the PhD, which is 3.0.
