STUDENT STATEMENTS OF INTEREST AND EXPERIENCE

AUDREY DOMBRO (ACES)

I am 3rd year undergraduate studying Agricultural and Consumer Economics with a concentration in Policy, International Trade and Development alongside a minor in Arabic Studies. I also lead a campus-wide political organization that is focused on electoral and political engagement. A highlight of my work as an ISG Senator was being a member of the GOTV Task Force and building a coalition to increase student voter turnout. I am interested in serving on the Committee on Committees because it is fundamental to the functioning of UC-Senate to propel and uplift our campus committees with representative, thoughtful, and action-oriented members. I look forward to choosing members who can avoid stagnation by taking necessary measures, such as implementing a new mascot.

CASEY GRIFFIN (FAA)

I am a junior studying theatre (stage management) and political science, and I proudly represent the College of Fine and Applied Arts in Illinois Student Government and UC Senate. In addition to my studies, this year I have begun to serve on the advisory boards for Krannert Center and the LGBT Resource Center, in addition to the Joint Advisory Committee on Investment, Licensing, and Naming Rights, the General Education Board, and Campus Speech Task Force. I am interested in serving on the Committee on Committees in order to further my work with UC Senate and help ensure that talented and qualified individuals are selected to work with Senate committees.
