## VI. ADJOURNMENT

## Common Parliamentary Procedures for the Urbana-Champaign Senate

### Introduction of business:

By an individual senator or group of senators (Pre-filed Resolution listed on the Senate agenda):

“I move the adoption of resolution RS.20.00” (substitute the assigned resolution number). A second is required.

By a committee (an item listed on the Senate agenda):

“On behalf of the Xxx Committee, I move the adoption of XX.20.00” (substitute the committee name and the assigned business number). No second is required.

Business not on the Senate agenda (New Business):

“I move to admit the following item as New Business” (*briefly* describe the proposed business). A second is required. If this motion is approved by the Senate, the item is effectively added to the meeting agenda. One can then move to adopt the item. A second is required. Debate may then take place on the item, but, per the Open Meetings Act, no final vote can be taken at this meeting. However, motions such as amendments or referral to committee can be made and voted on. Unless postponed or referred to a committee, the item will be placed on the agenda of the next meeting.

### To change a motion:

To edit the text of the motion:

“I move to amend the motion by changing xx to yy on line ##” (insert the desired text to be changed, and indicate the line number if the original text is numbered).

To substitute an entirely new text for the original:

“I move to substitute the following for the motion” (state the substitute motion).

It is most helpful if the text of the amendment is made available to the Clerk in writing or by email for display on the screen.

In either case, a second is required. Debate must then be confined to the wisdom of the amendment; general discussion of the main motion must await the outcome of the vote on the amendment.

There is no such thing as a “friendly amendment” which is automatically adopted if the maker of the original motion is agreeable. Use the motion to amend.

### Disposition of business:

To refer to a committee:

“I move to refer this matter to the Xxx Committee” (substitute the committee name). One can add, “with instructions to” do whatever.

Or: “I move to refer this matter to a committee selected by the Senate Executive Committee”. Instructions can be added.

A second is required. Either of these motions can be amended as to the choice of committee and/or the instructions to the committee.

To postpone the matter:

“I move to postpone this matter indefinitely.” If adopted, this effectively defeats the original main motion. A second is required.

Or: “I move to postpone the matter” to a specific future meeting or for a specific period of time. A second is required.

To lay on the table:

The motion to lay on the table is *not* appropriate for this purpose. Use one of the motions to postpone.

### To terminate discussion:

To terminate discussion of the current motion to amend or to refer to committee:

“I move to close debate on the current motion.”

To terminate discussion of the main motion as well as all pending subsidiary motions (such as to amend or to refer to committee):

“I move to close debate on the current motion and on the main motion.”

In either case, a second is required, and a 2/3 vote is necessary to close debate.

The motion to “call the previous question” is equivalent wording; it means exactly the same thing as the motion to “close debate.”

## Basic Parliamentary Procedure for the Urbana-Champaign Senate

	To do this:	You say:	Need Second?	Precedence*	Can Amend?	Debate Allowed?	Decision by	Comments
Main Business	Introduce business that is listed on the agenda	"I move that..."	Yes	13	Yes	Yes	Majority	A motion made by a committee of at least two members does not need a second.
	Allow introduction of new business not listed on the agenda	"I move that...be added to the agenda."	Yes	13	Yes	Yes	Majority	Only discussion and comment are permitted on a matter so introduced; no final vote may be taken
	Change a motion	"I move that the motion be amended by..."	Yes	11	Yes	Yes	Majority	An amendment to an amendment cannot be further amended. Note: there is no such thing as a "friendly amendment." Any change to a motion must be offered as a motion to amend.
	Make a nomination	"I nominate..."	No	--	No	Yes	Majority	
	Amend Constitution or Bylaws	"I move to amend Constitution/Bylaws by..."	Yes	13	Yes	Yes	2/3 majority	Procedure governed by the Senate Constitution, Art. I, Section 4 (for the Constitution) and Section 3 (for the Bylaws).
Delaying or Blocking Action	Postpone indefinitely	"I move that we postpone this question indefinitely..."	Yes	12	No	Yes	Majority	
	Refer to a committee	"I move that we refer this to the committee on..."	Yes	10	Yes	Yes	Majority	The motion to refer can be amended regarding which committee, or instructions to the committee.
	Postpone to a definite time	"I move that this matter be postponed until..."	Yes	9	Yes	Yes	Majority	
	Lay on the table	"I move that this matter be laid on the table."	Yes	6	No	No	Majority	The motion to lay on the table is only in order if there is other urgent business. Instead, it is usually better to move to postpone, either indefinitely or to a definite time, or to refer to a committee.
	Recess the meeting	"I move to recess until..."	Yes	2	Yes	No	Majority	
	Adjourn the meeting	"I move that we adjourn."	Yes	1	No	No	Majority	Superseded by Standing Rule 1.
Speeding Up Business	Limit debate	"I move that discussion be limited to ..."	Yes	8	Yes	No	2/3 majority	
	Close debate and vote	"I move to close debate."	Yes	7	No	No	2/3 majority	To move "the previous question" means exactly the same as to move "to close debate."
	Take up a matter ahead of schedule/change order of agenda	"I move that we suspend the rules and consider..."	Yes	Main motion	No	No	2/3 majority	
Inquiries, etc.	Call attention to a nuisance or emergency, reply to an affront	"Point of privilege"	No	3	No	No	The chair	
	Object to improper procedure	"Point of order"	No	4	No	No	The chair	
	Ask about a procedure	"Parliamentary inquiry"	No	5	No	No	The chair	
	Ask for information	"Point of information"	No	5	No	No	The chair	
Other Motions	Reverse a ruling by the chair	"I appeal the decision of the chair."	Yes	--	No	Yes	Majority	
	Reconsider a matter already voted on	"I move that we reconsider our action on..."	Yes	Main motion	No	Yes	Majority	Reconsideration may only be moved by someone who voted with the prevailing side, and is debatable if the original motion was debatable.
	Consider a matter that was previously tabled	"I move that we take from the table..."	Yes	Main motion	No	Yes	Majority	
	Withdraw a motion	"I request permission to withdraw my motion."	No	--	No	No	Majority	Usually, the maker of a motion is allowed to withdraw it by unanimous consent, but if anyone objects, there must be a vote.
	Request a written ballot	"I request a written ballot on this motion."	No	--	No	No	Majority	Standing rule 9 provides for a written ballot at the request of any senator, but only when separate student and faculty votes are to be taken.

\* The "precedence" column comes into play when there are multiple motions on the floor. For example, there could be a main motion, and a motion to amend, and a motion to refer to committee. The smallest "precedence" number is the motion that gets voted on first; in this example, the numbers are 13 for the main motion, 11 for the amendment, and 10 for referral to committee. So referral gets voted on first; if it loses, then amendment; then the main motion. The main motion has the highest number, as it is always the last to be voted on.

He was the 2018-2019 Vice Chair. Kar has also engaged in numerous other campus and system-level service positions. For some examples: Kar chaired the Committee on Faculty Sexual Misconduct, which produced substantial recommendations to reorganize the University's responses to sexual misconduct. He sits on the University Senates Conference, participated in the naming rights working group, helped develop and draft system-wide comments and objections to the Department of Education's proposed Title IX regulations, and helped manage the production of system-level guiding principles to foster healthy relationships across the campuses. In all these positions, Kar has sought to empower faculty and other senators by guiding their engagement and representation in broader campus and system-wide efforts. Kar would continue those same efforts next year.

Kar's interdisciplinary scholarship easily crosses the North/South Campus divide. Areas of expertise include the evolution of morality; the prehistory of social complexity; religious tolerance; race in the genomic age; contract law and theory; history of same-sex marriage law; the impact of the digital world on traditional systems of private ordering; and harassment policy. Recently, Kar has begun to develop a new research area in the law and policy of higher education.

### **George Francis (LAS)**

In my half century on the University of Illinois faculty I have been involved in very many changes, innovations, liquidation, and preservations of university institutions, customs, and shared governance. I will bring some institutional memory, when it is needed and welcome, to this key committee of our Senate. I have served as chair of the Committee of Information Technology on two different occasions, six years on the University Senates Conference, as well as on departmental and college committees. I was elected to the Senate in the first semester assistant professors were welcomes.

I have collaborated with colleagues in many cognate departments, from the north (NCSA, Beckman), the center (Carl Woese's seminars during the Kent State unrests), to the south (Second Discipline in Art and Design). I believe I can add some gravitas to this indispensable committee. On matters unfamiliar to me, I shall (mostly) keep a respectful silence.

## **STATEMENTS OF INTEREST AND EXPERIENCE**

### **Abby Fogarty (GRAD)**

I would like to express my interest in joining the Committee on Committees as a Graduate Student Senator. Being active in my university government is something that I am very passionate about. And, I have already had experience of being a member of the ISG Committee on Diversity and Inclusion this past year. Thus, I am aware of how to conduct myself and participate within a committee. More specifically, I am interested in being a member of the Committee on Committees because I understand the importance of the committee in determining placements in other Senate committees. I will work very hard to provide the best results that I can for this group. Furthermore, I will supply quality ideas and efforts to the committee and believe that I would be a good choice for a seat on it.

### **Akil Guruparan (GRAD)**

The best work of shared governance is done not on the general floor, but in committees devoted to particular issues that affect the student body and Champaign-Urbana community. It is therefore imperative that those committees are staffed by people who are passionate about both the issues they will be covering and the people they represent. In order to make sure that is the case, I would like to serve in the Committee on Committees and make sure people are where they need to be and where we as a community need them to be.

### **Cody Bainbridge (ENGR)**

My name is Cody Bainbridge, and I am a student senator for the college of engineering. I had an initial interest in joining a committee this year so that I could be more involved in the Senate. I chose the Committee on Committees because Ane has spoken highly of the committee. She has made it clear that this is an important committee where the members are passionate about their work and create an enjoyable environment. This is exactly the kind of people I would love to work with which is why I believe the Committee on Committees would be a good fit for me.

### **Creen Ahmad (ACES)**

I am a third year in the college of ACES. I have been very involved in academic endeavors on campus as well as social and political ones. I have great interests in serving the student body and giving back to the community. I have built a network among students who are involved on all areas of campus. I am passionate about bringing students together to work with faculty on committees. I think my participation on the Committee of committees would allow me to fulfill a greater service to students.

### **Sudarshana Rao (SSW)**

Sudarshana Rao is a senior at the University of Illinois at Urbana Champaign, she has a burning passion for advocacy, social justice, and public policy. She has dedicated most of her college career to serving the needs of survivors of sexual violence through an intersectional lens. She has maintained several leadership positions at the University. She is the President of the registered student organization, Students Against Sexual Assault, a Senator within the Illinois Student Government and the Director of Illinois Student Government's Sexual Assault Prevention Department. Sudarshana Rao has dedicated her college career to uplifting the voices of marginalized communities through social activism. She hopes to pursue law school after college so that she can gain the skills to advocate for others on a larger scale.

## **William J. Maher (LIBR, University Archives)**

As a long-time senator and a member of the Senate Committee on University Statutes and Senate Procedures, I have a great interest in, and have followed the discussions and proposals relating to, policy issues in sponsorships, naming rights, donations, and investments. To my shared governance experience, I would bring to the Joint Committee a historical perspective from 42 years in the University Archives. Specifics of relevant service include: elected membership in the Senate for 18 years starting in 1990; University Statutes and Senate Procedures Committee member (2005-20) and chair (2006-17); Senate Executive Committee member (2006-17); University Senates Conference member (2013-19); member of the 2011 and 2016 search committees for Chancellor; and elected member of the University Library Executive Committee (multiple terms beginning in 1989).

## **GRADUATE STUDENT STATEMENTS OF INTEREST**

### **Joseph Edwards (GRAD)**

I, Joseph Edwards, wish to serve on the Joint Committee on Investment, Licensing, and Naming Rights. Over the past 6 years as a student on this campus, I contributed to many organizations that have prepared me to be a productive member of this group. I previously served as president of several student organizations and I am currently chair of the Student Sustainability Committee. Additionally, I served as a senator for the Student Government and University Senate where I was a member of several committees, including the Senate Executive Committee. Together, these experiences gave me a keen understanding of the issues our campus faces and the responsibility we must feel to be leaders in our community and around the globe. Our image and investments are one of the biggest opportunities we have to showcase our values, I would like to serve on this committee to ensure we live up to these values.

### **Marian Ekweogwu (GRAD)**

To the esteemed members of the Senate and the student body, I have spent much time and energy in advocating for Immigrant rights and LGBTQ rights. Those have been the arena in which I have sought to discharge my social and civic responsibility. And I've learned that information is a key tool in such struggles, which is what led me to the University's iSchool. Now as I near the end of my first year as a graduate student, I believe that my prior experience and the information that I've gained (and continue to learn) can be exercised in the work of the Joint Committee. The current digital divide that is in glaring evidence is one direction I would like to see promulgated by the Committee and the University more broadly. I am excited to serve the University and I believe I can do meaningfully with this Committee.

### **Yu Ma (LAW)**

First, as a law student, I am strongly interested in the policy making procedure in a government or a company. University, acted as a semi-government, semi-company place, is a great opportunity for me to meet my curiosity, practice my skills and meet my pursuit of this area. Also, besides policy making part, my primary practice interest is Intellectual property, this committee is on investment, licensing and naming rights, which may include lots of copyright issues. I could use my IP law background and strength to help research and advise. As a student of U of I, I also would like to participate in student affairs and provide my strength. Because in most of time our law students only participate in our own law school's societies, it is a great opportunity to participate in a universitywide community.

## **UNDERGRADUATE STUDENT STATEMENTS OF INTEREST**

### **Buthaina Hattab (LAS)**

Buthaina Hattab is a junior studying Political Science. Her experience as a law clerk in the public sector and as a voting member in the Illinois Student Government's Committee on Diversity and Inclusion has provided her with insight on the relationships between public institutions and the people they serve. Her interest in serving on the Joint Committee on Investment, Licensing, and Naming Rights comes from an understanding of how our university's investments are an extension of their morality. As a committee member, she would work to ensure that the university is upholding their commitment to being a leader in innovation, social responsibility, and inclusivity as a world class institution. She will be responsive to the student body in ensuring that their voices are heard and represented in an equal and just manner.

### **Zarraf Jamil (LAS)**

I have an interest in helping oversee and manage the state of affairs in regards to these fields. I believe that it will be a good experience for me to do as it will greatly help in my future career goals. I would like to work in a political environment as a potential career goal as well, in regards to economics. I am excited to be considered for this opportunity.

### **Surabhi Kiran (LAS)**

I would like to start off by talking briefly about my experiences. I have gained immense knowledge and skills from working as an intern for the Social Justice Educators Paraprofessional program. My experience as an advocate for social injustice will allow me to critically analyze the decisions of the committee with respect to social responsibility while also keeping in mind the interests of the students and the values held by the university. I believe this is an excellent opportunity for me to broaden my horizons in the field and gain first-hand experiences on how boards and committees work as well as provide my input to expand decision-making. Being on the committee would significantly enhance my leadership and communication skills as well as serve as a great opportunity to meet new people who share similar passions and visions as me.

**Ming Wei (ACES)**

I am interested in serving on the joint Committee on Investment, Licensing and Naming Rights, because it has been my aspiration for a long time. I am currently a junior majored in Consumer Economics & Finance, and I am also minored in Business. I have previous internship experience in the Boston Consulting Group, and I am also a member of the Minority Business Student Association at UIUC. With my experience in investment banking and financial planning, I would love to join this Committee and help our school with my expertise and knowledge of finance and economics, and I am also aimed to develop more female leadership at UIUC. I would be really honored if I could have the chance to make efforts and build more values to the Joint Committee. Thank you!

**Cheyenne Wendell (LAS)**

Cheyenne Wendell is a Senior Earth, Society, and Environmental Sustainability student in the College of Liberal Arts and Sciences. As a transfer student, she took advantage of her previous leadership experiences to immediately get involved in multiple student organizations and committees on campus. Her interest in joining the Joint Committee on Investment, Licensing, and Naming Rights has been formed considerably through her involvement with Students for Environmental Concerns as both an officer and subcommittee president, as well as her active membership in the Illinois Student Government's Committee on Environmental Sustainability. The University of Illinois plays an important role in the lives of their students and alumni, and our investments and public image are responsible for our continuous growth and prestige. Cheyenne understands the importance of transparency and accountability, and would be a considerable asset to uphold the standards of the university along with representing the interests of the student body.
