UNIVERSITY OF ILLINOIS URBANA-CHAMPAIGN SENATE

MONDAY, OCTOBER 19, 2020

ZOOM WEBINAR

MINUTES

I. CALL TO ORDER

A regular meeting of the University of Illinois Urbana-Champaign Senate was called to order at 3:10 pm with Senate Executive Committee Chair Rob Kar presiding and Professor Emeritus H. George Friedman, Jr. serving as Parliamentarian.

II. APPROVAL OF MINUTES

10/19/20-01

Without objection, the minutes of the September 21, 2020 meeting were approved as amended.

III. PUBLIC COMMENT

No requests received.

IV. APPROVAL OF FLOOR PRIVILEGES

Professor Rob Kar (LAW), a faculty senator and Chair of the Senate Executive Committee (SEC), asked for any objections to granting the following individuals floor privileges during the discussion of EP.21.018: Kevin Pitts (Vice Provost for Undergraduate Education), Meghan Hazen (Registrar), Rebecca Smith (COVID-19 SHIELD Team), and Nigel Goldenfeld (COVID-19 SHIELD Team).

10/19/20-02

Without objection, floor privileges were granted to Pitts, Hazen, Smith, and Goldenfeld to speak during the discussion of EP.21.018.

V. SENATE EXECUTIVE COMMITTEE CHAIR'S REMARKS

Chair Kar reported that he recently attended the BTAA (BigTen Academic Alliance) Shared Governance Conference. Kar found that institutions that have open lines of communication between their Senate and administration have done better with their response to the COVID crisis.

Despite our relative successes in the response to COVID, we will not be able to maintain success if we do not remain vigilant. The SHIELD Team has indicated there are upcoming vulnerabilities, returning from Thanksgiving break and at the start of the spring term, that pose increased health and safety risks. Limiting travel and maintaining vigilance in upholding safety precautions are key to minimizing these risks.

Kar noted the statutory changes that will be considered by the Board of Trustees at their upcoming meeting. This package of changes comes after years of hard work by all three Senates and includes the change from campus to university and university to system, important changes to the section on Academic Freedom and Tenure, and an expanded nondiscrimination statement. Links to the statutory documents are available on the Senate website.

VI. CONSENT AGENDA

Hearing no objections, the following items were approved by unanimous consent.

- 10/19/20-03 EP.21.014* Digital Marketing - Floating (Online) -- Establish a New Graduate Level Concentration titled "Digital Marketing" For the Online Master in Business Administration (iMBA), the Online MS Management (iMSM), and the Online Master of Science in Accountancy (iMSA) Programs in the Gies College of Business

- 10/19/20-08 Faculty senator Rosenstock made a motion to amend EP.21.018 by removing all three "Day Off" no class days from the proposed spring semester calendar but keep the start date of January 25 and all other dates. Add the following note to the published calendar: 'In addition to canceling classes according to currently established policies, for the spring 2021 semester instructors may designate up to three class periods in every course they teach as non-instructional reading periods, to be chosen at their discretion, not to exceed three hours of class period time for a single course.' The motion was seconded, and discussion followed.
- 10/19/20-09 Through the online voting system Poll Everywhere, the motion to amend failed with 11 in favor, 108 opposed, and 9 abstentions.

Discussion on the main motion resumed.

- 10/19/20-10 Student senator Kelo (FAA) made a motion to increase the number of days off (determined in advance by the administration) from 3 days to 5 days with no assignments due on days off. The motion was seconded, and discussion followed.
- 10/19/20-11 The Senate suspended discussion of EP.21.018 at 4:10 pm to host the Annual Meeting of the Faculty (see agenda item IX. Annual Meeting of the Faculty). Once the Annual Meeting of the Faculty concluded, business resumed as follows.

Discussion on the motion to increase the number of days off from 3 days to 5 days with no assignments due on days off continued. Pitts noted that there are limits to how short the semester can be and still meet the Department of Education requirement for Title IV funding.

- 10/19/20-12 Student senator Bainbridge (ENGR) made a motion to amend the amendment by specifying the five days off as follows: February 23 and 24, March 29, and April 13 and 14. The motion was seconded, and a short discussion followed.
- 10/19/20-13 Through the online voting system Poll Everywhere, the motion to amend the amendment failed with 14 in favor, 110 opposed, and 8 abstentions.

VIII. NEW BUSINESS

No new business.

IX. ANNUAL MEETING OF THE FACULTY

President Timothy Killeen and Chancellor Robert Jones gave opening remarks before answering questions from attendees.

President Killeen noted that this has been quite a year with all the challenges. Even amid this pandemic, students and families have still made the choice to come to Illinois. This fall there has been a record number of students, 52,000 students, admitted.

The University is making a number of positive efforts to combat the COVID-19 virus. The University of Illinois has attracted attention from around the world because of the SHIELD program and the ability to open the University with a successful hybrid model. The University of Illinois Urbana Champaign has contributed to fighting COVID by providing PPE (personal protective equipment), producing hand sanitizer, and creating the emergency ventilator which is being offered in India for free. The University of Illinois Chicago (UIC) is participating in three of the vaccine trials, and the hospital system is taking care of many underrepresented minorities. The University of Illinois System is upholding its commitment to the land-grant mission, impact for the public good.

The mental health issues we are facing are not trivial and the level of isolation young people are facing is extraordinary and we need to think carefully how to mitigate that. And we also need to be thinking about a post-pandemic style of higher education. Like everything else mentioned, the University of Illinois can lead the way.

The University of Illinois is grateful to have received about \$100 million in federal support from the CARES Act (Coronavirus Aid, Relief, and Economic Security). This helps but did not go far enough to offset the costs the System has incurred, approximately \$400 million and growing. We are optimistic that the next relief act will include significant support for higher education and are heavily advocating for additional federal support.

Killeen is confident the University of Illinois will weather this storm. Alumni are standing in support and the University has raised over \$400 million, a record-breaking number. Employees have not been laid off, nor have furloughs been conducted despite the duress. Our senior leadership is committed to this University.

The University of Illinois is facing three crises, the health crisis, the racial inequity crisis, and the economic crisis. The University of Illinois is strong and committed. Faculty will continue to be recruited and retained, and a recommitment will be made to the diversity of our faculty and undergraduate student body. Our student body has become more diverse over the five years that Killeen and Jones have been leading this University, but there is still more work to do. The University of Illinois is a world leader in education and innovation.

Chancellor Jones thanked the faculty for all the hard work during this difficult time. The work that has been done through shared governance is very important. It has been eight months since the message was sent ending face-to-face instruction. While we have moved quickly in response to COVID-19, every decision has been made to maximize the

safety of our faculty, staff, and students. Decisions are based on science and evidence. We have not allowed a sense of urgency to bypass broad consultation and communication with faculty, staff, and students. Jones noted that he and Provost Cangelaris along with other senior leadership and COVID-19 work teams attended the numerous SEC meetings over the summer. Since March, more than 75 Massmail messages have been sent regarding COVID-19. That is a large number of messages. We continue to honor and utilize our shared governance system in decisions that have been made regarding COVID-19.

The COVID-19 rapid saliva test has garnered world-wide attention. The test is rapid, cost-effective, and has been deployed on a scale that is unmatched in this country. The Safer Illinois app was developed to facilitate test notification and safety and is now used by over 40,000 members of the University community. The testing protocol has allowed the University of Illinois to open and offer classes and a residential experience that others have found very difficult or impossible.

We have figured out our path this semester because we have found ways to effectively face these challenges together. Hopefully with the Senate vote on the academic calendar, we will have a clearer path for the spring semester. Plans are in place to share the spring calendar information with the University community tomorrow morning if the Senate approves the changes to the academic calendar. This message will also include important guidance about safety practices and expectations going into the Thanksgiving break, the final weeks of this semester, and how the return in the spring semester will be handled.

Now is the time to become more vigilant in testing and following safety protocols. There is nothing ordinary or easy about this experience. There is no other University in this country that has navigated this challenge more successfully with more compassion and more creativity than the University of Illinois Urbana-Champaign.

The floor was opened to questions.

Faculty senator Rosenstock (LAS) asked Chancellor Jones if an in-person graduation is being planned for the end of the spring semester. Jones stated that no decision has been made at this time whether graduation will be in-person or virtual.

Student senator Fogarty (GRAD) encouraged the Senate to return to the regular agenda so a vote can be taken on the academic calendar.

Faculty senator Kwapil (LAS) asked the Chancellor about the recent aggression by Turkey and Azerbaijan on the sovereign nation of Armenia. Our University has a proud history of training Armenian students and employing Armenian scholars. What steps has the University taken in response to this matter? Chancellor Jones responded that he has only had brief conversations with Provost Cangelaris, but Jones plans to meet with the

International Studies leadership team about this issue and to try to formulate the best course of action to support our members of this University and then discuss the appropriate course of action we can take as a University in the broader context.

Faculty senator Riechers (ACES) asked if there are any metrics or feedback about how the quality of our classes this semester would compare to our peer institutions. Chancellor Jones asked Provost Cangellaris to answer because Cangellaris meets regularly with other provosts in the BigTen Academic Alliance (BTAA). Cangellaris noted that in these BTAA provost meetings, everyone shares experiences and lessons learned. The mental stress of students and faculty during this time is of concern. Students and faculty alike have been overwhelmed by COVID-19 in many ways. Care and compassion need to be the number one priority. Quality without appreciation of the challenges that everyone is facing falls short of addressing the most important thing, the wellbeing of everyone.

The Senate returned to the agenda and resumed discussion on EP.21.018 (10/19/20-11).

X. ADJOURNMENT

The meeting was adjourned at 5:15 pm.

EC.20.06 Revision to the *Election Rules for the Student Electorate*, Section 5 – Conducting Elections

BACKGROUND

This revision proposes that the election of students to the Senate be completed three weeks prior to the organizational meeting rather than prior to spring break. The adjusted timeline would allow for greater engagement and recruitment of students to serve within the shared governance system. This is a much more flexible schedule and will also tend to avoid any problems with conflicting holidays that may occur.

The appendix contains the dates for the spring 2021 student elections in accordance with the following proposed revisions.

RECOMMENDATION

The Senate Committee on Elections and Credentials recommends the approval of the following revisions to the *Election Rules for the Student Electorate*. Text to be deleted is ~~struck through~~ and text to be added is underlined.

REVISION TO THE *ELECTION RULES FOR THE STUDENT ELECTORATE*, SECTION 5 – Conducting Elections

- 1 5.2 *Time of Elections*. Elections for the Colleges of Law, Medicine, and Veterinary Medicine
- 2 shall be conducted by those colleges at such times as shall be specified by the EC. The
- 3 election of all other student senators shall be held at such times as shall be specified by
- 4 the EC unless the Senate authorizes the Campus Student Election Commission (CSEC)
- 5 established by the Illinois Student Government Constitution to conduct the election of
- 6 student senators concurrently with the other student elections the CSEC conducts. Such
- 7 authorization, which does not extend to the Colleges of Law, Medicine, and Veterinary
- 8 Medicine, must be given by the Senate no later than the last regularly scheduled meeting
- 9 of the spring semester for the following year's elections. Once given, this authorization

10 will remain in force unless it is rescinded by the Senate; such action must take place no
11 later than the last regularly scheduled meeting of the spring semester to be effective for
12 the following year's elections. ~~If the CSEC is authorized to conduct student Senate~~
13 ~~elections and agrees to do so, the election shall be held in the week containing the first~~
14 ~~Monday in March. If this week contains a general campus holiday, the election shall be~~
15 ~~held in the preceding week. If the preceding week also contains a general University~~
16 ~~holiday, the election shall be held in the week containing the second Monday in March.~~
17 The student elections shall be completed no fewer than three weeks prior to the
18 organizational meeting of the Senate.

19
20 ~~5.3 Senate Approval of Changes in CSEC Election Calendar. If for any reason CSEC conducted~~
21 ~~Senate elections cannot be held in accordance with the above schedule, the CSEC will~~
22 ~~notify the Senate no later than September 30 prior to the scheduled election, at which~~
23 ~~time the Senate shall determine whether to authorize the CSEC to proceed with the~~
24 ~~conduct of said election or to delegate the responsibility to the college elections~~
25 ~~committees.~~

COMMITTEE ON UNIVERSITY STATUTES AND SENATE PROCEDURES
(Final; Action)

SP.20.15 Revision to the *Bylaws*, Part D.4 – Committee on the Budget

BACKGROUND

Responding to the Report of the Eighth Senate Review Commission (XSR.19.01), the Senate Committee on the Budget (BG) examined its charge and composition as provided in the *Bylaws*, Part D.4.

BG transmitted a set of proposed changes to the Senate Committee on University Statutes and Senate Procedures (SP) in October 2019. These were refined and strengthened by BG and SP, which after some delays due to the COVID-19 pandemic, were approved by BG in October 2020.

The proposed revisions better specify the committee's charge to advise work on behalf of the Senate to gather information and make reports and recommendations to the Senate as appropriate. These also align the committee's work with the new campus budget model and allow the committee to respond to the broader context of the University of Illinois System, instead of only the University of Illinois at Urbana-Champaign.

RECOMMENDATION

The Senate Committee on University Statutes and Senate Procedures recommends the approval of the following revisions to the *Bylaws*. Text to be deleted is ~~struck through~~ and text to be added is underlined. Adoption of amendments to the *Bylaws* requires a two-thirds vote of the Senate.

REVISION TO THE BYLAWS, PART D.4 – Committee on the Budget

BACKGROUND

Responding to the Report of the Eighth Senate Review Commission (XSR.19.01), the Conference on Conduct Governance (CG) examined its charge and composition as provided by the *Bylaws*, Part D.7.

SP.20.24 Revision to the *Bylaws*, Part D.15 – Committee on the Library

BACKGROUND

Responding to the Report of the Eighth Senate Review Commission (XSR.19.01), the Senate Committee on the Library (LB) examined its charge and composition as provided by the *Bylaws*, Part D.15.

The proposed revision removes the limitation that three LB committee members be senators and the specification that committee members serve three-year terms. These current restrictions on the membership of the LB committee seem misaligned with the majority of the Senate’s standing committees, and Senate records do not indicate why this should be the case.

The proposed revisions regarding the annual and five-year review of the university librarian include language clarifying the two separate processes involved and bring the language of the *Bylaws* into alignment with *Statutes* (Article VI). The Office of the Provost was consulted regarding the revised language, because the dean (university librarian) review process is initiated by the Office of the Provost.

RECOMMENDATION

The Senate Committee on University Statutes and Senate Procedures recommends the approval of the following revisions to the *Bylaws*. Text to be deleted is ~~struck through~~ and text to be added is underlined. Adoption of amendments to the *Bylaws* requires a two-thirds vote of the Senate.

REVISION TO THE BYLAWS, PART D.15 – Committee on the Library

1 a. Duties

2 The Committee shall:

- 3 1. The Committee shall advise the director of the campus library university
4 librarian on the apportionment of the Library budget and on the formulation and
5 execution of policies governing the operation of the Library, including its
6 branches;
- 7 2. The Committee shall provide advice annually, as requested, to advise the
8 Chancellor through the Office of the Provost on the appointment ~~and or~~

9 ~~reappointment evaluation of the director of the campus Library~~ university
10 librarian (Statutes, Article VI);
11 3. ~~The Committee shall e~~Evaluate the performance of the university librarian at
12 least once every five years, as initiated by the Office of the Provost and in a
13 manner to be determined jointly by the committee and faculty of the library; as
14 part of the evaluation, views shall be solicited from the committee, other
15 concerned faculty, members of the university community, and the entire faculty
16 of the library (Statutes, Article VI); and
17 4. ~~The Committee shall a~~Advise the Senate about issues affecting the ability of the
18 Library to fulfill its mission.

19
20 b. Membership

21 The Committee shall consist of:

25 2. Four students members, two undergraduates and two graduate; and

SP.21.01 Revision to the *Bylaws*, Part D.1.c – Senate Executive Committee (Chair and Vice-Chair eligibility)

BACKGROUND

Responding to the Report of the Eighth Senate Review Commission (XSR.19.01), the Senate Executive Committee (SEC) examined its charge and composition as provided in the *Bylaws*, Part D.1 and considered the Review Commission’s recommendation that the SEC “determine additional eligibility criteria and duties for the positions of the SEC Chair and Vice-Chair” (XSR.19.01, Recommendation #5). The Senate Committee on University Statutes and Senate Procedures (SP) presented SEC’s proposed changes to the *Bylaws* in SP.20.06, which included potential changes to SEC membership, the duties and eligibility of the SEC Chair and Vice-Chair, and vacancies in the Chair and Vice-Chair positions.

SP.20.06 was introduced at the July 13, 2020 Senate meeting, and included a proposal that would have restricted the eligibility for the SEC Chair to faculty or academic professional senators who have served at least one year on the SEC (at any time). That proposal also would have restricted eligibility for the Vice-Chair position to senators (of any type) who have served at least one year as a senator or on a Senate committee at any time. At the July 13 meeting, the Senate voted to amend the proposal to make the restrictions on the Vice-Chair match those proposed for the Chair position. The Senate also voted to return the proposal to SP for revision, including removing language regarding various types of vacancies in these positions that would no longer be necessary.

At its September 21, 2020 meeting, the Senate approved an amendment to remove both the restriction that the SEC Chair and Vice-Chair be faculty or academic professionals and that they have served on the SEC for at least a year. With those provisions removed, the Senate approved SP.20.06 as amended. However, the revised language (in lines 44-46) of SP.20.06 also changed the phrasing that specified that the Chair and Vice-Chair be elected “by and from among the membership of the Senate” while rephrasing the other proposed restrictions. This specification was thus inadvertently struck when the amendment to SP.20.06 was approved, substantively changing the eligibility for these positions.

Because the Senate has approved SP.20.06, SP recommends that it reinstate the restriction that the Chair and Vice-Chair be elected “by and from the membership of the Senate.”

RECOMMENDATION

The Senate Committee on University Statutes and Senate Procedures recommends the approval of the following revisions to the *Bylaws*. Text to be deleted is ~~struck through~~ and text to be added is underlined. Adoption of amendments to the *Bylaws* requires a two-thirds vote of the Senate.

REVISION TO THE *BYLAWS*, PART D.1.C – Senate Executive Committee

SP.20.17 Revision to the *Bylaws*, Part A – Meetings (Presiding at Senate Meetings)

BACKGROUND

The Senate Executive Committee (SEC) requested that the Senate Committee on University Statutes and Senate Procedures (SP) discuss the most appropriate person to preside over Senate meetings based on Recommendation #3 of the Eighth Senate Review Commission Report (XSR.19.01).

The Senate Committee on General University Policy (GP) discussed the most appropriate person to preside over Senate meetings. GP recommended the Chair of the Senate Executive Committee or the Chair’s designee serve as the presiding officer for the business portion of the Senate meeting. This would more easily allow the Chancellor to be a participant in debates.

RECOMMENDATION

The Senate Committee on University Statutes and Senate Procedures recommends that the Senate approve the following amendment to the *Bylaws*, Part A. Text to be added is underscored and text to be deleted is ~~struck through~~.
