Proposal Title

Effective Catalog Term	Fall 2022
------------------------	-----------

Provide a brief, concise description (not justification) of your proposal.

Changing Dietetics Concentration in FSHN to a major, Dietetics and Nutrition, BS. Need to phase out the concentration.

List here any related proposals/revisions and their keys. *Example: This BS proposal (key 567) is related to the Concentration A proposal (key 145) and the Concentration B proposal (key 203).*

This phase down concentration request (key 554) is related to the new major request of Dietetics and Nutrition, BS (key 1102) and the phase down request of the current major, Food Science & Human Nutrition BS (key 81)

Program Justification

Why are these changes necessary?

The department of Food Science and Human Nutrition is changing their 4 undergrad concentrations to majors. Once the Dietetics and Nutrition, BS is approved, we would like to phase out the Dietetics concentration. We would like to allow current students in the Dietetics concentration to have the option to finish their degree with the concentration or to move to the new Dietetics and Nutrition, BS.

Instructional Resources

Will there be any reduction in other course offerings, programs or concentrations by your department as a result of this new program/proposed change?

No

Does this new program/proposed change result in the replacement of another program?

Does the program include other courses/subjects impacted by the creation/revision of this program?

No

Program Regulation and Assessment

Briefly describe the plan to assess and improve student learning, including the program's learning objectives; when, how, and where these learning objectives will be assessed; what metrics will be used to signify student's achievement of the stated learning objectives; and the process to ensure assessment results are used to improve student learning. (Describe how the program is aligned with or meets licensure, certification, and/or entitlement requirements, if applicable).

This is a phase down request. We are changing the concentration to a major.
