This phase down Hospitality Management concentration request (key 648) is related to:
-New major request of Hospitality Management, BS (key 1099)

Program Justification

Why are these changes necessary?

The department of Food Science and Human Nutrition is changing their 4 undergrad concentrations to majors. Once the Hospitality Management BS is approved, we would like to phase out the Hospitality Management concentration. We would like to allow current students in the Hospitality Management concentration to have the option to finish their degree with the concentration or to move to the new Hospitality Management BS.
