Certain buildings, due to the nature of the activities within them, are governed by separate policies (including but not limited to those listed in § 2-503(a).~~

c. Distribution

Individuals may distribute written or printed materials regarding a non-commercial topic on a person-to-person basis in outdoor, publicly accessible areas of university property. Individuals may distribute written or printed materials regarding a non-commercial topic on a person-to-person basis inside the common areas (g., foyers, vestibules, or hallways) of publicly-accessible buildings while open to the public. The interiors of computer labs, designated study lounges, classrooms, auditoriums, museums, theatres, lecture halls, offices, gymnasiums, retail shops, and dining or social reception halls, as well as mailboxes, are not "common areas" for this purpose.

- (1) Those individuals and groups engaged in the distribution of written materials must not litter and are encouraged to pick up any distributed materials dropped on the ground by others around the area of distribution.
- (2) An authorized official of the university may remove any written materials left behind or unattended, and the university assumes no responsibility for the safety and care of such materials.
- (3) Distribution of materials that violates university policy or state or federal law is prohibited.
- (4) Distribution of written materials in residence halls is governed by applicable University Housing residence hall policies.

~~Distribution of such materials inside university buildings, other than residence halls (see § 2-406), is permitted in common areas (e.g., foyers, vestibules, or hallways), provided that such distribution does not impede traffic flow or disrupt university business such as classes, laboratories, meetings, or office work. The interiors of classrooms, auditoriums, museums, theatres, lecture halls, offices, gymnasiums, retail shops, and dining or social reception halls, as well as mailboxes, are not considered “common areas” for this purpose.~~

~~Distribution outside the entrances to university buildings is permitted so long as it does not impede traffic flow.~~

~~For most campus buildings, the Office of the Registrar is responsible for implementation and enforcement of this policy and questions regarding it should be directed to that office.~~

~~Certain buildings, due to the nature of the activities within them, are governed by separate policies (including but not limited to those listed in § 2-503(a)). For those buildings, appropriate restrictions as to time, place, and manner for distributing materials may be established by the agency responsible for the building. These may include, for example, requiring prior permission to distribute inside the building, or restricting distribution to designated areas only. Buildings hosting performance or athletic activities, such as the State Farm Center, Foellinger, Huff Hall, Krannert Center, or Memorial Stadium, do not allow distribution of such materials past the turnstile or ticket collection point during those activities. The agencies in charge of these buildings are responsible for implementation and enforcement of this policy and questions regarding it should be directed to them.~~

~~Appeals relating to this policy may be made to the Dean of Students.~~

~~Those distributing such materials are expected to refrain from littering and may be held responsible for costs incurred as a result of littering. “Distribution” here is defined as individuals handing such materials to other individuals who may accept them or refrain from receiving them. Leaving a stack of materials to be picked up, or placing materials on vacant lecture hall seats, etc., is considered littering, not distribution, under these rules.~~

~~Those distributing such materials should be aware that nothing in this policy in any way relieves them of personal responsibility for violation of any civil laws.~~

§ 1-110 Policy for the Provision of Reasonable Accommodations for Students with Disabilities

- a. The university provides reasonable accommodations to students with disabilities admitted to study at the university in accordance with the following procedures. As the term is used herein, “reasonable accommodations” refer to those academic adjustments, services, and aids provided to otherwise qualified students with disabilities to facilitate equal access to university programs and activities. The Division of Disability Resources and Educational Services (DRES) coordinates the university’s efforts to provide these reasonable accommodations. DRES will consult as necessary to facilitate the processing of requests for reasonable accommodations.
- b. In general, students are responsible for informing the university of their status as a person with a disability and their need for reasonable accommodations. Students with disabilities should direct their requests for reasonable accommodations to the DRES Student Services Office by phone at (217) 333-4603, or disability@illinois.edu. The determination of reasonable accommodations will be based upon an individual student’s needs. For academic accommodations, DRES will consult with the faculty member for whose course the accommodations are sought. The university may decline requests for accommodations that impose an undue hardship on the campus or that require the fundamental alteration of academic standards, programs, or coursework.
- c. In order to be considered for reasonable accommodations, the student must meet the following requirements:
 - 1. The student must submit a completed Application for Services to DRES. Students may obtain applications from:
DRES: in person at the Rehabilitation-Education Center at 1207 South Oak Street, Champaign IL, or online at disability.illinois.edu.
 - 2. The student must have a disability and provide documentation of a disability in accordance with the applicable documentation criteria.
- d. To facilitate timely review of a student’s request for reasonable accommodation, the student or prospective student who is requesting accommodations to access university programs and activities must submit a completed Application for Services to DRES, as soon as possible. Some accommodations, such as interpreter, real-time captioning services, or the conversion of print-based educational materials to alternative accessible formats can require substantial lead time to schedule or prepare. Therefore, it is recommended that the student return the Application for Services and discuss accommodation needs with DRES

§ 1-110 Policy for the Provision of Academic Accommodations, Auxiliary Aids & Services for Students with Disabilities

- a. It is the policy of the University of Illinois Urbana-Champaign to provide admitted and current students with disabilities reasonable academic accommodations, auxiliary aids and services (hereinafter referred to as academic accommodations). The Division of Disability Resources and Educational Services (DRES) is the unit tasked with providing these academic accommodations to accepted and current students.
- b. DRES provides services for degree-seeking and non-degree seeking, undergraduate, graduate, and professional students at the university. Admitted and currently enrolled students are required to self-identify as an individual with a disability through a process outlined in this policy and discussed in detail the DRES Procedures for the Provision of Academic Accommodations for Students with Disabilities. Students should use the [Application for DRES Services](#) form to self-identify and to complete their request for services. Students who need assistance or are unable to complete the Application for Services using this form, should contact DRES to submit their request for academic accommodations by emailing disability@illinois.edu or by calling DRES at (217) 333-1970.
- c. When a disability is non-obvious, students will be required to provide documentation to support their need for academic accommodations due to an underlying disability. Documentation requirements are available in the DRES Procedures for the Provision of Academic Accommodations for Students with Disabilities.
- d. Upon review of any applicable medical documentation, DRES will make a determination of disability. When a determination of disability is found, students are required to engage in the interactive process with DRES to discuss the student’s individual needs and discuss ways that an academic accommodation may assist them. Meetings may be in-person or remote.
- e. After completion of the interactive process, DRES will document the reasonable accommodations selected and provide the student with a Letter of Academic Accommodations outlining the available academic

personnel at least six weeks before the date on which the student may first require the accommodations.

- e. A student may appeal to the Director of DRES:
 - 1. an accommodation recommendation by DRES if the student deems such recommendation to be unsatisfactory;
 - 2. implementation of a DRES accommodation recommendation if the student deems such implementation ineffective. A student may appeal a determination of the DRES Director to the Dean of the College of Applied Health Sciences.
- f. A student may also direct questions or concerns regarding accommodation decisions by DRES or other campus units to the Office for Access & Equity (OAE), which is located at 614 E. Daniel Street, Suite 303, Champaign, IL or by phone at (217) 333-0885.

accommodations to present as necessary to their course instructors or other academic advisors as needed.

- f. To receive the academic accommodations outlined in the Letter of Academic Accommodations, students are required to provide their Letter to each instructor either in person or by email.
- g. Academic accommodations are not retroactive. If a student does not provide a Letter of Accommodation at the beginning of a semester, the student's Academic Accommodation will only be in effect prospectively from the time the instructor receives the Letter.
- h. Students may appeal a decision of DRES to the ADA Coordinator in the following situations by email at adacoordinator@illinois.edu or calling 217-333-0885:
 - i. Where a student believes a determination of disability was made in error.
 - ii. When a student does not agree with the provision of academic accommodation provided by DRES and as outlined in their Letter of Academic Accommodation.
 - iii. Where a student believes an instructor or faculty member has failed to implement or incorrectly implemented a current Letter of Academic Accommodation. In this case, a student may seek an informal or formal review through the [Academic Accommodation Implementation Review \(AAIR\)](#) procedures as documented in the DRES Procedures for the Provision of Academic Accommodations for Students with Disabilities.
- i. The appeals process in Section h above is distinct from the university's procedures for investigating and adjudicating behavior pursuant to the university's Nondiscrimination Policy as codified in Section 1-108 of the Student Code. Students may [submit complaints](#) based on discrimination by faculty or staff on the basis of disability to the EEO Division of the Office for Access & Equity, and by [emailing](#) the Office for Student Conflict Resolution if the alleged discriminatory conduct involves behavior by students.
- j. Students with disabilities who are involved in university processes including hearings for violations of the Student Code may request accommodations related to the investigation and hearing process. Students should request accommodations as soon as possible to ensure

	<p>the university has adequate time to review any required documentation of the disability and to issue the accommodation letter. Students should submit such requests directly to their DRES Access Specialist or register for services with DRES using the DRES Application for Services. Students should notify their OSCR contact of their request for services related to a hearing or investigation to ensure the appropriate personnel are able to implement any approved accommodation related to their proceedings. Students submitting requests within five business days of a deadline or hearing may not receive requested accommodations on the basis of insufficient notice.</p>
	<p>1-111 Sexual Misconduct Policy</p> <p>a. Purpose</p> <p>The purpose of this policy is to provide a safe and welcoming educational and work environment and to establish standards of conduct that are appropriate for our campus community; and to comply with Title IX of the Education Amendments of 1972 (“Title IX”), 20 U.S.C. § 1681 et seq., and its implementing regulations, 34 C.F.R. Part 106; Section 304 of the Violence Against Women Reauthorization Act of 2013 (“VAWA”), 20 U.S.C. 1092(f), and its implementing regulations, 34 C.F.R. Part 668.46; Title VII of the Civil Rights Act of 1964 (“Title VII”); the Illinois Human Rights Act; and the Illinois Preventing Sexual Violence in Higher Education Act, 110 ILCS 155/1 et seq.</p> <p>This policy was revised in July 2020 as part of the effort to align the university’s policy and procedures with new Title IX regulations and to incorporate recommendations made by the Committee on Faculty Sexual Misconduct for addressing unwelcome sexual, sex or gender-based conduct by employees. When investigating and adjudicating complaints of “Title IX Sexual Harassment” (as defined below), federal regulations require the university to follow specific procedures, some of which are unique to Title IX. This policy also addresses other categories of sexual misconduct that do not fall within the definition of “Title IX Sexual Harassment” (for example, because of the nature of the alleged conduct, where it took place, or who was involved) but that may violate other conduct requirements.</p>

The purpose of this policy in delineating which conduct is “Title IX Sexual Harassment” is not to imply that the university considers certain conduct more or less objectionable, nor to discourage any person from submitting a report. Rather, the purpose of this policy is to ensure that all persons who experience sexual misconduct described in this policy have full access to the rights and resources they are entitled to, and that every complaint is handled fairly and equitably, in a manner consistent with applicable law, and with the ultimate aim of maintaining an institutional climate of safety and accountability. Title IX requires a definition of “Title IX Sexual Harassment” that provides a floor—not a ceiling—to the varied forms of misconduct that can be prohibited at a university, and the University of Illinois has decided to go beyond this floor to promote a safe and welcoming culture and climate.

Relation to Other Laws and Policies

Conduct prohibited by this policy may violate other laws and policies, including, but not limited to, the university’s Nondiscrimination Policy, the university Code of Conduct, and the Student Code. Sexual misconduct that constitutes Title IX Sexual Harassment will be addressed pursuant to the university’s Title IX grievance procedure(s). Nothing in this policy prevents the university from addressing prohibited sexual misconduct that does not trigger the university’s Title IX response obligations under other applicable policies and procedures.

In addition, this policy does not cover every allegation of discrimination based on sex. Other university policies prohibit discrimination and harassment that would not constitute sexual misconduct, as defined in this policy. When an individual alleges discriminatory action that is not sexual misconduct, as defined in this policy, the allegations are assessed under the applicable university policy. For information regarding other university policies addressing discrimination and harassment, visit the Nondiscrimination Policy.

If the regulations implementing Title IX at 85 Fed. Reg. 30026, 30026-30579 are enjoined or invalidated by a Federal Court with jurisdiction over the university or reversed or replaced by any agency with sufficient authority, the Prohibited Sexual Misconduct Processes (§ 1-111 (e)) will immediately begin to apply to all reports and complaints of Prohibited Sexual Misconduct, including Title IX Sexual Harassment, and the Title IX Sexual Harassment

	<p>Process (§ 1-111 (d)) will immediately be inoperative unless and until any such injunction, invalidation, reversal, or replacement is overturned.</p> <p>b. The University of Illinois Urbana-Champaign (“university”) is committed to providing a safe and welcoming campus environment that is free from all forms of discrimination based on sex. Discrimination based on sex includes discrimination on the basis of sexual orientation or gender identity. The university does not discriminate against any person based on sex in its education programs or activities or in employment. This policy includes the processes to be used for all reports or complaints of sexual misconduct. The grievance processes for Title IX Sexual Harassment and other Prohibited Sexual Misconduct shall be distinct as set out in this policy. The university also prohibits retaliation against any person who, in good faith, reports or discloses a violation of this policy, files a complaint, or otherwise participates in an investigation, proceeding, complaint, or hearing under this policy.</p> <p>c. This policy applies to</p> <ol style="list-style-type: none"> 1. All students, Registered Organizations, Registered Student Organizations, and others subject to student discipline pursuant to § 1-301 of the Student Code; 2. All university employees; 3. Applicants for enrollment or employment with the university; 4. Other affiliated individuals, including but not limited to, for purposes of this policy, visiting faculty, visiting scholars, and post-doctoral fellows; and 5. Third parties, including but not limited to contractors, subcontractors, volunteers, and visitors. <p>d. Title IX Sexual Harassment Process</p> <p>The Department of Education Office for Civil Rights amended in 2020 the regulations implementing Title IX. Under the regulations, Title IX prohibits sex discrimination, including Title IX Sexual Harassment, as defined below, in an education program or activity of the university against a person in the United States. An education program or activity of the university includes locations, events, or circumstances over which the university exercised substantial control over both the respondent and the context in which the</p>
--	---

alleged misconduct occurred, and also any building owned or controlled by a student organization that is officially recognized by the university.

Title IX Sexual Harassment is defined as conduct on the basis of sex that falls into one or more of the following categories as defined below in this policy: Quid Pro Quo Sexual Harassment, Hostile Environment Sexual Harassment, Sexual Assault, Dating Violence, Domestic Violence, or Stalking. If a reported incident of sexual misconduct falls under the scope of Title IX (as determined by the Title IX Coordinator or their designee), the university will promptly contact the Complainant to review the university's Title IX Sexual Harassment grievance process, review and offer available supportive measures, and provide information on the university's process for filing a Formal Complaint of Title IX Sexual Harassment, if desired. If a Formal Complaint of Title IX Sexual Harassment is filed or if the Title IX Coordinator signs a Formal Complaint, the university will respond promptly in a manner that is not deliberately indifferent and will follow its Title IX Sexual Harassment grievance procedures. Additional information about the university's Title IX Sexual Harassment grievance procedures for Formal Complaints involving an employee respondent and for student conduct can be found on the We Care website, specifically at wecare.illinois.edu/policies/campus/.

Reports of sexual misconduct that fall outside the university's jurisdiction for responding to complaints of Title IX Sexual Harassment will be dismissed under the university's applicable Title IX Sexual Harassment grievance procedure. Additionally, the university may dismiss a Formal Complaint of Title IX Sexual Harassment, or any allegations therein, if at any time during the investigation or hearing

1. the Complainant notifies the Title IX Coordinator in writing that they would like to withdraw the Formal Complaint or any allegations therein;
2. the respondent is no longer enrolled or employed by the university; or
3. specific circumstances prevent the university from gathering evidence sufficient to reach a determination as to the Formal Complaint or any allegations therein.

e. Prohibited Sexual Misconduct Processes

Reports or complaints of sexual harassment that are not one of the categories included in Title IX Sexual Harassment will be addressed following the processes set out in the Office for Student Conflict Resolution's Case Coordinator and Subcommittee Hearing Procedures (for student respondents) or the Office for Access & Equity's Procedures for Addressing Discrimination, Harassment, and Non-Title IX Sexual Misconduct Complaints (for employee respondents). Additional information about these procedures can be found on the We Care website, specifically at wecare.illinois.edu/policies/campus/.

f. Definitions

1. Sexual Misconduct means Title IX Sexual Harassment, sexual harassment, sexual assault, dating violence, domestic violence, stalking, unwelcome sexual, sex or gender-based conduct, sexual violence, or sexual exploitation, as defined below.
2. Prohibited Sexual Misconduct means any conduct prohibited by this policy other than Title IX Sexual Harassment.
3. Title IX Sexual Harassment means conduct on the basis of sex that satisfies one or more of the following:

- A. Quid Pro Quo ~~Sexual Harassment~~: **A university employee conditioning the provision of an aid, benefit, or service of the university on an individual's participation in unwelcome sexual conduct;**
- B. Hostile Environment ~~Sexual Harassment~~: **Unwelcome conduct that a reasonable person would determine to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the university's education program or activity;**
- C. Sexual Assault (as defined in this policy);
- D. Stalking (as defined in this policy);
- E. Dating Violence (as defined in this policy); or
- F. Domestic Violence (as defined in this policy).

4. Sexual Assault (See 20 U.S.C. 1092(f)(6)(A)(v)) means:

- A. **Forcible Fondling. Fondling is the touching of the private body parts of another person for the purpose of**

	<p>sexual gratification, without the Consent of the victim. Private body parts include breasts, buttocks, groin, and sex organs.</p> <p>B. Incest. Sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law.</p> <p>C. Rape. The penetration, no matter how slight, of the vagina or anus with any body part or object, or oral penetration by a sex organ of another person, without the Consent of the victim. This offense includes attempted rape and assault with intent to commit rape.</p> <p>D. Sexual Assault with an Object. To use an object or instrument to unlawfully penetrate, however slightly, the genital or anal opening of the body of another person, without the Consent of the victim.</p> <p>E. Forcible Sodomy. Oral or anal sexual intercourse with another person, without the Consent of the victim.</p> <p>F. Statutory Rape. Statutory Rape is sexual intercourse with a person who is under the statutory age of consent.</p> <p>5. Consent means mutually understood words or actions indicating a freely given, informed agreement to engage in a particular sexual activity with a specific person or persons. Consent must be voluntarily given and cannot be the result of Coercion. A person's lack of verbal or physical resistance or submission resulting from the use or threat of force does not constitute consent. A person's manner of dress does not constitute consent. A person's consent to past sexual activity does not constitute consent to future sexual activity. A person's consent to engage in sexual activity with one person does not constitute consent to engage in sexual activity with another. A person can withdraw consent at any time.</p> <p>A person cannot consent to sexual activity if the person is unable to understand the nature, fact, or extent of the activity or give knowing consent due to circumstances, including without limitation the following:</p> <ul style="list-style-type: none"> A. the person is incapacitated due to the use or influence of alcohol or other drugs; B. the person is asleep or unconscious; C. the person is under the legal age to provide consent; or
--	--

- D. the person has a disability that prevents such person from having the ability or capacity to give consent.

To be found responsible in a case involving a Complainant who could not consent to sexual activity, the Respondent must have known, or should have known, the Complainant was unable to understand the nature of the sexual activity or give knowing consent due to the circumstances. "Should have known" is an objective, reasonable person standard. That is, would a reasonable person have recognized that the Complainant could not consent to the sexual activity.

- 6. **Coercion is the use of force, threats, intimidation, or severe or persistent pressure that would reasonably cause an individual to fear significant consequences if they refuse to engage in sexual contact. In evaluating whether Coercion was used, the university will consider: (1) the frequency, intensity, and duration of the pressure; (2) the degree of isolation of the person being pressured; and (3) any actual or perceived power differential between the parties in the context of their respective roles within the university. For example, when a person expresses a decision not to participate in a particular sexual activity, a decision to stop, or a decision not to go beyond a certain sexual interaction, continued pressure can become coercive.**
- 7. Stalking means engaging in a course of conduct directed at a specific person that would cause a reasonable person to fear for their safety or the safety of others; or suffer substantial emotional distress. For the purposes of this definition:
 - A. **Course** of conduct means two or more acts, including but not limited to, acts which the stalker directly, indirectly, or through third parties, by any action, method, device or means follows, monitors, observes, **surveils**, threatens, or communicates **to or about** a person, or interferes with a person's property.
 - B. **Reasonable** person means a reasonable person under similar circumstances and with similar identities to the victim.
 - C. **Substantial** emotional distress means significant mental suffering or anguish that may, but does not necessarily,

require medical or other professional treatment or counseling.

8. Dating Violence means violence committed by a person:
 - A. who is or has been in a social relationship of a romantic or intimate nature with the victim; **and**
 - B. where the existence of such a relationship is determined based on **consideration of the following factors**:
 - a. of the length of relationship;
 - b. the type of the relationship; and
 - c. the frequency of the interaction between the persons involved in the relationship.

Dating violence does not include acts covered under the definition of Domestic Violence.

9. Domestic Violence **means any crime(s) committed against an individual by a current or former spouse or intimate partner (as defined under the family or domestic violence laws of Illinois), including but not limited to, domestic battery, aggravated domestic battery, stalking, aggravated stalking, cyberstalking, sexual assault, and sexual abuse.**
10. Unwelcome Sexual, Sex or Gender-Based Conduct means any unwelcome sexual, sex-based, or gender-based conduct occurring within or having an adverse impact on the workplace or academic environment, regardless of how it is conducted (physically, verbally, in writing, or via an electronic medium) and regardless of the sexes or genders of the individuals involved. This category of misconduct comes in three forms, each of which may also qualify as Title IX Sexual Harassment or violate the Nondiscrimination Policy in some circumstances:
 - A. Gender-Based or Sexual Hostility: Objectively offensive treatment of another person or group, through words or conduct, with hostility, objectification, exclusion, or as having inferior status based on sex, gender (including gender identity or gender expression), or sexual orientation.
 - B. Unwanted Sexual Attention: Objectively offensive sexual attention, advances, or comments that a person reasonably should know are unwanted or which continue to occur or

persist after the recipient has communicated a desire that the behavior stop.

- C. Sexual Coercion: Use of force, violence, threats, or other threats of harm by an individual to compel or attempt to compel another individual to engage in unwelcome sexual activity.

Unwelcome sexual, sex or gender-based conduct need not be illegal under existing laws to violate this policy. To be disciplined through a formal complaint process, however, the behavior must be by an employee acting in the course of employment. In investigating and responding to reports of violations, due consideration will be given to an individual's rights to free speech, expression, and academic freedom. While speech can be used to harass or engage in unwelcome sexual, sex or gender-based conduct and can provide evidence of discriminatory intent, speech does not violate this policy just because it is subjectively offensive. A reasonable person must also find it offensive, it must lack bona fide academic purpose, and it must fall within one of the definitions of misconduct found in this policy. What sanctions or other responsive actions may be deemed appropriate, if any, will depend on the facts and circumstances of the case.

- 11. Sexual Harassment means **unwelcome conduct of a sexual nature or unwelcome conduct based on sex, sexual orientation, or gender identity when:**
 - A. submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment or educational opportunities, assessment or status at the university;
 - B. submission to or rejection of such conduct by an individual is used as the basis for employment or educational decisions affecting such individual, or
 - C. such conduct is **sufficiently severe or pervasive; and objectively offensive; and unreasonably interferes with, denies, or limits a person's ability to participate or benefit from educational or employment opportunities, assessments, or status at the university.**
- 12. Sexual Exploitation means the use of another person's nudity or sexual activity without consent for the purpose of sexual

	<p>gratification, financial gain, or anyone's advantage or benefit other than the person whose nudity or sexual activity is being used. Sexual Exploitation includes, but is not limited to:</p> <ul style="list-style-type: none"> A. observing, recording, or photographing nudity or sexual activity of one or more persons without their Consent in a location where there is a reasonable expectation of privacy; B. allowing another to observe, record, or photograph nudity or sexual activity of one or more persons without their Consent; or C. otherwise distributing recordings, photographs, or other images of the nudity or sexual activity of one or more persons without their Consent. <p>13. Sexual Violence means physical sexual acts attempted or perpetrated against a person's will or when a person is incapable of giving Consent.</p> <p>g. Retaliation means intimidation, threats, coercion, or discrimination against any individual for the purpose of interfering with any right or privilege secured by Title IX, its implementing regulations, or this policy, or because the individual has made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under this policy. Retaliation may include, but is not limited to harassment, discrimination, threats, or adverse employment action. Any person or group within the scope of this policy who engages in prohibited retaliation is subject to a separate complaint of retaliation under this policy.</p> <p>h. Title IX</p> <p>The lead Title IX Coordinator is responsible for and authorized to coordinate the university's efforts to comply with and carry out its responsibilities under Title IX, which prohibits sex discrimination in education programs and activities for institutions that receive federal financial assistance, as well as retaliation for the purpose of interfering with any right or privilege protected by Title IX. The lead Title IX Coordinator also oversees the university's response to all reports and complaints of Prohibited Sexual Misconduct and Title IX Sexual Harassment to monitor outcomes, identify any patterns, and assess their effects on the campus climate. The lead Title IX Coordinator evaluates requests for confidentiality by those who report or complain about Prohibited Sexual Misconduct and Title IX Sexual Harassment in the context</p>

of the university's responsibility to provide a safe and welcoming campus environment for all students free from discrimination based on sex. The lead Title IX Coordinator is also responsible for effective implementation of any supportive measures or remedies for Prohibited Sexual Misconduct and Title IX Sexual Harassment, and for overseeing the university's recordkeeping obligations under Title IX. All formal complaints of Title IX Sexual Harassment shall be reviewed and addressed in accordance with the grievance process set forth in the university's Title IX Sexual Harassment grievance procedures for Formal Complaints which are required to:

1. Treat complainants and respondents equitably in all manners, including by providing remedies to a Title IX Complainant where a determination of responsibility for Title IX Sexual Harassment has been made against the respondent, and by following the grievance process before the imposition of any disciplinary sanctions or other actions that are not supportive measures against a Title IX respondent;
2. Require an objective evaluation of all relevant evidence, including both inculpatory and exculpatory evidence, and provide that credibility determinations will not be based on a person's status as a complainant, respondent, or witness;
3. Require that any individual designated by the university as a Title IX Coordinator, investigator, decision-maker, or any person designated by the university to facilitate an informal resolution process: a) not have a conflict of interest or bias for or against complainants or respondents generally or an individual complainant or respondent; and b) receive training on the definition of sexual harassment, the scope of the university's education program or activity, how to conduct an investigation and grievance process, and how to serve impartially;
4. Require that any individual designated by the university as a decision-maker receive training on any technology to be used at a live hearing and on issues of relevance of questions and evidence;
5. Require that any individual designated by the university as an investigator receive training on issues of relevance to create an investigative report that fairly summarizes relevant evidence.
6. Include a presumption that the respondent is not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the grievance process;

7. Include reasonably prompt timeframes for conclusion of the grievance process;
8. Describe the range of possible disciplinary sanctions and remedies or list the possible disciplinary sanctions and remedies that the university may implement following any determination of responsibility;
9. Base all decisions on the preponderance of the evidence standard;
10. Include the procedures and permissible bases for the complainant and respondent to appeal.
11. Describe the range of supportive measures available to complainants and respondents; and
12. Not require, allow, rely upon, or otherwise use questions or evidence that constitutes or seeks disclosure of, information protected under a legally recognized privilege unless the person holding such privilege has waived the privilege.

- j. A person should contact the lead Title IX Coordinator's office to:

1. seek information or training about rights and available actions to resolve reports or formal complaints involving potential sex discrimination, including Title IX Sexual Harassment and other Prohibited Sexual Misconduct;
2. file a formal complaint or make a report of sex discrimination, including Title IX Sexual Harassment and other Prohibited Sexual Misconduct;
3. obtain information about the availability of and for coordination of resources (including confidential resources) and supportive measures relating to sex discrimination, including Title IX Sexual Harassment and other Prohibited Sexual Misconduct;

5. ask questions about the university's policies and procedures related to sex discrimination, including Title IX Sexual Harassment and other Prohibited Sexual Misconduct.

(c) Email is the primary mechanism for sending official communications to students at the University of Illinois Urbana-Champaign (UIUC) as stated in the Financial Responsibility Agreement

(<https://go.illinois.edu/financialresponsibilityagreement>). All students are assigned an official university email address. Students, therefore, must check email regularly to stay updated on important messages and notifications. Failure to read official university communications sent to students' official email address does not absolve students from knowing and complying with the content of official communications. Students may forward their email from their official university email address to another email address of their choice. The university, however, is not responsible for email forwarded to another email address.

A uniform method for calculating undergraduate grade-point averages has been established for all undergraduate colleges on the Urbana-Champaign campus. These averages are calculated on the basis of all courses attempted for which grades and credits are assigned and that carry credit in accordance with the Courses catalog. Grades of S, U, CR, NC, PS, PP, NP, PZ, and PX are reported on the official university transcript but are not included in the grade-point averages since grade-points are not assigned to these letter grades. This method of calculation is used to determine honors, probationary and drop status, financial aid and scholastic awards,

 - A. Students who are currently enrolled for courses on the Urbana-Champaign campus. (A person attending only as an auditor is not considered to be "currently enrolled.") For the purpose of this rule, a student who has completed the work of fall semester or winter session is considered to be "currently enrolled for courses" for fifteen days after the close of the final examination period, including graduating seniors; and a student who has completed the work of spring semester or a summer session is considered to be "currently enrolled for courses" up to the end of the registration period for the following fall semester, including graduating seniors.
 - B. Persons who have been previously registered in a degree program and are currently registered in an online course, or an extramural course offered by the university.
 - C. Persons who are not registered in the university at the time they wish to take a departmental proficiency exam but who are candidates for undergraduate degrees at the University of Illinois who need no more than ten semester hours to complete the requirements for their degrees. withdrawn from the course retroactively, provided such withdrawal is completed before the grade of “incomplete” automatically becomes a grade of F (or U) by rule. In exceptional cases, a student who, because of absence for active military service, physical disability, or other sufficient cause, is unable to comply with the rule by removing the I grade within the specified time may be granted a limited extension by the dean of the student’s college. A student whose status cannot be determined because of “incomplete” grades may register again only with the approval of the dean of the student’s college. (See §§ 3-313 and 3-201.)

Graduate Students

A grade of “incomplete” may be assigned at the discretion of the instructor of the course to allow an extension of time to satisfy final exam requirements or other final course requirements. The period of time allowed to finish remaining course requirements will be set by the instructor and communicated to the student upon assignment of the I grade. The instructor may authorize such extension of time for a graduate student regardless of the level of the course. If no final grade is assigned by the deadlines described below, the grade becomes an F (or U) by rule, depending on grading mode of the course. Reasonable extensions of time are granted by the Graduate College for justifiable reasons. A student will not be certified for a degree with an Incomplete grade in the academic record.

- I grades assigned in Fall will become an F (or U) by rule after Reading Day in the Spring.
- I grades assigned in Spring will become an F (or U) by rule after the 10th day of Instruction in the following Fall semester.
- I grades assigned in the Summer will become an F (or U) by rule after Reading Day in the Fall.

NC No credit earned. To be used only in courses taken under the credit-no credit grading option. Instructors report the usual letter grades. A letter grade of D+ or lower or a grade of ABS will automatically be converted to NC.
