Does this proposal have any related proposals that will also be revised at this time and the programs depend on each other? Consider Majors, Minors, Concentrations & Joint Programs in your department. Please know that this information is used administratively to move related proposals through workflow efficiently and together as needed. Format your response like the following "This BS proposal (key 567) is related to the Concentration A proposal (key 145)"

newly proposed Key 1261 - Collaborative Piano.

Program Justification

Provide a brief description, using a numbered item list, of the proposed changes to the program.

1-A newly proposed concentration in Collaborative Piano is added to the list of concentration options. 2-The Music Theory concentration (key 819) will be removed from the list of concentration options, as it is in the process of termination. 3-Updating concentration requirement information.

Did the program content change 25% or more in relation to the total credit hours, since the most recent university accreditation visit? See the italicized text below for more details.

No

Provide the reasoning for why each change was necessary, using a corresponding numbered item list as it relates to the brief description numbered list above.

1- The concentration in Collaborative Piano is submitted simultaneously for FA 25 approval and is added to the list of concentration options in this MMUS revision.

2- The concentration in Music Theory is in the process of being terminated.

3-A concentration is required and students are admitted to a concentration directly at admission, so we are updating the program features.
