

## **In Solidarity With International Students at this University**

We the students of Epsilon Eta Epsilon would like to extend our full support to the language and goals of RS 26.2. We believe that it is imperative that the University of Illinois Urbana-Champaign fully support and defend the right to education held by each and every international students play an integral role in our community and help ensure that the University of Illinois is a place where all students where all students who are admitted can get a world class education.

We believe that all international students who are qualified to attend U of I should be allowed to do so through all possible accommodations. We believe that due to the current situation in our country that it is extremely important that the university supports this mission. It is for these reasons that we the students of Epsilon Eta Epsilon support RS 26.02 and encourage its passage by the University Senate.

Respectfully submitted,

Epsilon Eta Epsilon
