Term

Effective Catalog 2027-2028

Proposal Title

Proposal Title (either Establish/Revise/Eliminate the Degree Name in Program Name in the College of XXXX, i.e., Establish the Bachelor of Science in Entomology in the College of Liberal Arts and Sciences, include the Graduate College for Grad Programs)

Eliminate the Concentration in Agribusiness Markets & Management in the Bachelor of Science in Agricultural & Consumer Economics in the College of Agricultural, Consumer and Environmental Sciences

Does this proposal have any related proposals that will also be revised at this time and the programs depend on each other? Consider Majors, Minors, Concentrations & Joint Programs in your department. Please know that this information is used administratively to move related proposals through workflow efficiently and together as needed. Format your response like the following "This BS proposal (key 567) is related to the Concentration A proposal (key 145)"

This concentration deactivation proposal (Key: 588) is related to the following other concentration deactivation proposals:

- Agricultural & Consumer Economics: Consumer Economics & Finance, BS (Key: 598)
- Agricultural & Consumer Economics: Environmental Economics and Policy, BS (Key: 599)
- Agricultural & Consumer Economics: Farm Management, BS (Key: 601)
- Agricultural & Consumer Economics: Finance in Agribusiness, BS (Key: 597)
- Agricultural & Consumer Economics: Financial Planning, BS (Key: 602)
- Agricultural & Consumer Economics: Policy, International Trade and Development, BS (Key: 600)
- Agricultural & Consumer Economics: Public Policy and Law, BS (Key: 595)

The deactivation of this concentration is also contingent on the following proposals (this concentration shouldn't be deactivated until the following new programs/revisions have been implemented):

- Consumer Economics and Finance, BS (Key: 1370)
- Environmental and Resource Economics and Policy, BS (Key: 1371)
- Financial Planning, BS (Key: 1304)
- Food and Agribusiness Management, BS (Key: 1372)
- Public Policy and Law, BS (Key: 1373)
- Agricultural & Consumer Economics, BS (Key: 74)
- Agricultural & Consumer Economics: Agri-Accounting, BS (Key: 587)
- Agricultural & Consumer Economics: Agricultural and Applied Economics, BS (Key: 1392)
- Agricultural & Consumer Economics, BS and Agricultural & Applied Economics, MAAE (Key: 886)

Program Justification

Provide a brief description, using a numbered item list, of the proposed changes to the program.

We are removing the following concentrations from the ACE major:

- Agribusiness Markets & Management (AMM)
- Consumer Economics & Finance (CEF)
- Environmental Economics & Policy (EEP)
- Farm Management (FM)
- Finance in Agribusiness (FIA)
- Financial Planning (FP)
- Policy, International Trade & Development (PITD)
- Public Policy & Law (PPL)

And turning them into their own majors:

- The Consumer Economics & Finance concentration will become the Consumer Economics and Finance, BS major
- The Financial Planning concentration will become the Financial Planning, BS major
- The Public Policy & Law concentration will become the Public Policy and Law, BS major
- The Environmental Economics & Policy concentration will become the Environmental and Resource Economics and Policy, BS major
- The Agribusiness Markets & Management, Farm Management, Finance in Agribusiness, and Policy, International Trade & Development concentrations will become the Food and Agribusiness Management, BS

However, the Agri-Accounting concentration will remain and we will be adding an Agricultural and Applied Economics concentration.

Provide the reasoning for why each change was necessary, using a corresponding numbered item list as it relates to the brief description numbered list above.

The AMM concentration currently enrolls over 15% of ACE majors, making it one of the program's largest academic tracks. However, it has experienced a 25% decline in enrollment over the last four years, signaling a weakening demand that cannot be ignored. At the same time, AMM contributes more than \$700,000 in allocated budget, making it a financially significant part of the department. Any change to this concentration carries clear risk, but doing nothing carries even greater long-term risk.

This proposal takes a calculated, proactive approach by deactivating the AMM concentration and combining it with three other closely related tracks, into a new standalone major: Food and Agribusiness Management, BS. This new major retains the core content and faculty expertise of AMM while offering a more modern, accessible program identity that aligns with student expectations, urban student backgrounds, and industry trends.

While some enrollment disruption is possible in the short term, the Food and Agribusiness Management title maintains strong continuity with AMM and provides an opportunity to reverse enrollment declines through better program visibility and more targeted recruitment. This change also allows for streamlined advising, reduced curricular redundancy, and stronger positioning in a competitive academic landscape.

With student input, market research, and timing all aligned, this is a strategically sound moment to transition AMM into a modernized, standalone major that better reflects the department's academic goals and the career ambitions of its students.

Last 5 years of AMM enrollment:

FA25: 137

FA24: 118

FA23: 126

FA22: 140

FA21: 160

Instructional Resources

Will there be any reduction in other course offerings, programs or concentrations by your department as a result of this new program/proposed change?

No

Does this new program/proposed change result in the replacement of another program?

No

Does the program include other courses/subjects outside of the sponsoring department impacted by the creation/revision of this program? If Yes is selected, indicate the appropriate courses and attach the letter of support/acknowledgement.

Yes

Courses outside of the sponsoring department/interdisciplinary departments:

ECON 103 - Macroeconomic Principles

CS 105 - Intro Computing: Non-Tech

MATH 220 - Calculus

MATH 221 - Calculus I

MATH 234 - Calculus for Business I

ACCY 201 - Accounting and Accountancy I

CMN 101 - Public Speaking

ALEC 115 - Talk About Food, Ag, Env

CMN 111 - Oral & Written Comm I

CMN 112 - Oral & Written Comm II

ACCY 202 - Accounting and Accountancy II

ECON 452 - The Latin American Economies

Please attach any letters of support/acknowledgement for any Instructional Resources.

Catalog Page Overview Text

Statement for
Programs of Study
Catalog

Graduation Requirements

Minimum hours required for graduation: 126 hours.

University Requirements

Minimum of 40 hours of upper-division coursework, generally at the 300 and 400 level. These hours can be drawn from all elements of the degree. Students should consult their academic advisor for additional guidance in fulfilling this requirement.

The university and residency requirements can be found in the Student Code (§ 3-801) and in the Academic Catalog.

General Education Requirements

Follows the campus General Education (Gen Ed) requirements. Some Gen Ed requirements may be met by courses required and/or electives in the program.

Composition I	4-6
Advanced Composition	3

Humanities & the Arts (6 hours)	6
Natural Sciences & Technology (6 hours)	6
Social & Behavioral Sciences (6 hours)	6
fulfilled by ACE 100 , ECON 103 , and two other courses approved as Social and Behavioral Sciences	
Cultural Studies: Non-Western Cultures (1 course)	3
Cultural Studies: U.S. Minority Cultures (1 course)	3
Cultural Studies: Western/Comparative Cultures (1 course)	3
Quantitative Reasoning (2 courses, at least one course must be Quantitative Reasoning I)	6-8
fulfilled by and MATH 220 , MATH 221 , or MATH 234 ; and ACE 262	
Language Requirement (Completion of the third semester or equivalent of a language other than English is required)	0-15
Department Foundation	
ACE 123 Introduction to ACE	2
ACE 100 Introduction to Applied Microeconomics	4
ECON 103 Macroeconomic Principles	3
ACE 161 Computer Concepts & Applications	3
or CS 105 Intro Computing: Non-Tech	
Calculus Option - Select one of the following:	4
MATH 220 Calculus	
MATH 221 Calculus I	
MATH 234 Calculus for Business I	
ACCY 201 Accounting and Accountancy I	3
ACE 262 Applied Statistical Methods and Data Analytics I	3
ACE 264 Applied Statistical Methods & Data Analytics 2	3
Communication Option	3 or 6
CMN 101 Public Speaking	
ALEC 115 Let's Talk about Food, Agriculture, and the Environment	
CMN 111 Oral & Written Comm I & CMN 112 and Oral & Written Comm II	

<u>Minimum of 6 additional hours of Social & Behavioral Sciences</u>		6
<u>ACE 341</u>	Careers and Professionalism	1 or 2
<u>ACE 300</u>	Intermediate Applied Microeconomics	3
ACE International Course or Study Abroad Experience Option - Select one of the following:		3
<u>ACE 411</u>	Environment and Development	
<u>ACE 435</u>	Global Agribusiness Management	
<u>ACE 436</u>	International Business Immersion	
<u>ACE 451</u>	Agriculture in Intl Dev	
<u>ACE 452</u>	The Latin American Economies	
<u>ACE 455</u>	International Trade in Food and Agriculture	
Agribusiness Markets & Management Concentration		18
<u>ACE 222</u>	Agricultural Marketing	3
<u>ACE 231</u>	Food and Agribusiness Mgt	3
<u>ACCY 202</u>	Accounting and Accountancy II	3
Advanced Agribusiness Markets & Management Option - Select three of the following:		9
<u>ACE 427</u>	Commodity Price Analysis	
<u>ACE 428</u>	Commodity Futures and Options	
<u>ACE 430</u>	Corporate Food Marketing	
<u>ACE 431</u>	Agri-food Strategic Management	
<u>ACE 432</u>	Advanced Farm Management	
<u>ACE 435</u>	Global Agribusiness Management	
Minimum hours in the College of ACES, 20 of which must be in the Department of ACE		35
Total Hours		126

Program Regulation and Assessment

Plan to Assess and Improve Student Learning

Illinois Administrative Code: 1050.30(b)(1)(D) Provision is made for guidance and counseling of students, evaluations of student performance, continuous monitoring of progress of students toward their degree objectives and appropriate academic record keeping.

Student Learning Outcomes

ACE students will acquire broad and deep knowledge of Agricultural and Consumer Economics.

ACE students will develop a critical and reflective orientation toward global systems (such as natural, environmental, social, cultural, economic, and political) and cultural differences (such as race, indigeneity, gender, class, sexuality, language, and disability).

ACE students will develop critical thinking and problem solving skills.

ACE students will develop their ability to communicate in a variety of settings.

ACE students will build and sustain productive relationships to be effective leaders who can respond to civic and social challenges at local, national, and global levels, creating positive change in their communities.

Study marketing and management for businesses big and small. Discover factors that influence commodity prices and learn how to manage price risk through futures and options markets.

Follow your food from farm to fork to understand how businesses operate along the supply chain and how consumers interact with the food system.

Describe how, when, and where these learning outcomes will be assessed.

Describe here:

Identify faculty expectations for students' achievement of each of the stated student learning outcomes. What score, rating, or level of expertise will signify that students have met each outcome? Provide rating rubrics as necessary.

Explain the process that will be implemented to ensure that assessment results are used to improve student learning.

Program

Description and

Requirements

Delivery Method

This program is
available:

On Campus - Students are required to be on campus, they may take some online courses.

Enrollment

List the prerequisites including course titles and number of credit hours for each prerequisite course, and whether or not these prerequisites count in the total hours required for the minor.

Phase Down/Elimination Enrollment

Does this program
currently have
enrollment? Yes

If so, what is the
anticipated term of
completion?

Describe how this revision or phase down/elimination will impact enrollment and degrees awarded. If this is an elimination/phase down proposal include the plans for the students left in the program.

Phasing out the AMM, FM, FIA, and PITD concentrations will affect approximately 25% of current ACE undergraduates. While the removal of familiar concentration names may lead to a modest short-term dip in enrollment and degrees awarded within the ACE major, the intent is that most students will shift their interest to the new FAM, BS major. AMM has already experienced a 25% enrollment decline over the last four years, reinforcing the need for program restructuring. The new FAM major offers a clearer, more marketable identity that aligns with student interests and industry needs, and includes a Finance track to help retain finance-focused students.

All students currently enrolled in the affected concentrations will be allowed to complete their degrees under existing requirements. No student will be required to change majors or concentrations. These concentrations will be closed to new students beginning with the Fall 2027 application cycle, after which students will be directed to the five new majors. Specifically, for students interested in this concentration, they would be directed towards the new FAM, BS major.

The anticipated term of completion for this program is Fall 2031 at the earliest.

Number of Students in Program (estimate)

Year One Estimate

5th Year Estimate (or when fully implemented)

Budget

Will the program or revision require staffing (faculty, advisors, etc.) beyond what is currently available?

No

Additional Budget Information

Attach File(s)

Financial Resources

How does the unit intend to financially support this proposal?

Will the unit need to seek campus or other external resources?

No

Attach letters of support

Faculty Resources

Please address the impact on faculty resources including any changes in numbers of faculty, class size, teaching loads, student-faculty ratios, etc.

Because this concentration is being repurposed into a new major, faculty teaching load, class sizes, student-faculty ratios, etc. will remain roughly the same.

Library Resources

Describe your proposal's impact on the University Library's resources, collections, and services. If necessary please consult with the appropriate disciplinary specialist within the University Library.

After consulting with Sarah Williams, the proposal to transition from a concentration to a major will have no impact on the University Library's resources. Current library resources are sufficient to cover the requirements of this transition. No new or additional resources will be necessary to support this transition.
