

PROPOSAL TO THE SENATE COMMITTEE ON EDUCATIONAL POLICY

TITLE OF THE PROPOSAL:

Elimination of the BSLAS:Bioengineering, College of Liberal Arts and Sciences
Program code: 10KV0408BSLA; major code: 0408 Bioengineering.

SPONSOR:

Steven Sligar, Director School of Molecular and Cellular Biology; 393 Morrill Hall; 3-3166.

COLLEGE SPONSOR:

Ann M. Mester, Associate Dean, College of Liberal Arts and Sciences; 294 Lincoln Hall;
3-1350' mester@uiuc.edu

BRIEF DESCRIPTION:

The College of Liberal Arts and Sciences wishes to eliminate the BSLAS in Bioengineering.

JUSTIFICATION: During the reorganization of the life sciences in 1999, the BSLAS:Bioengineering was not phased out or moved to either the newly formed School-Molecular and Cellular Biology or Integrative Biology. Students are not currently enrolled in the BSLAS:Bioengineering. We are now asking for the elimination of the BSLAS:Bioengineering.

BUDGETARY AND STAFF IMPLICATIONS:

No budgetary or staff implications.

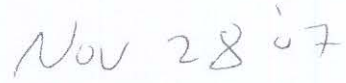

GUIDELINES FOR UNDERGRADUATE EDUCATION:

Students interested in Bioengineering have many options at the University of Illinois. The College of Engineering supports a Bioengineering degree and minor. The College of Liberal Arts and Sciences Department of Chemical and Biomolecular Engineering supports a Biomolecular Engineering concentration and is proposing an undergraduate Biomolecular Engineering Minor.
